

# Company Profile

Delivering strategic solutions to people who manage people

Accsys is an award winning South African software company specialising in People Management solutions. In business since 1981, Accsys is a proud member of the Transaction Capital Group.

With more than 2000 companies using our solutions, over 12 million payslips per year initiated by Accsys systems.

Our solutions are developed in South Africa with particular emphasis on South African workplace conditions. This has been broadened to encompass countries throughout Africa.

Our success as an industry leader is built on a solid base of product excellence, ongoing staff education and our dedicated involvement in industry bodies.

Our commitment to social and economic upliftment is evident from our continual investment in skills

Cathie Webb COO  
Teryl Schroenn CEO
